# HOW DOES POPPO LIVE WORK

- Poppo Live works with talented streamers who showcase their skills, complete daily tasks, interact with strangers, etc., and receive virtual gifts and rewards from users. They are involved in live streamings with the audiences and generate income. The users purchase coins using real money and send the virtual gifts to the hosts.
- Poppo Live also recruits agencies that help them fulfill the demands of the streamers in the market. Poppo Agent invites agencies and streamers and supports them with their productivity. They earn commissions based on the total earnings of agents and hosts
- 70% of the total gift share is provided to the host and up to 20% as commission is given to their agencies. The primary users of the app are Streamers, Senders, and Audiences.
